Albion's chapter of Phi Beta Kappa, oldest scholastic honor society, was established on November 8, 1940, as the Beta Chapter of Michigan. It is one of 141 chapters in the United States. Dr. Marjorie Hope Nicholson, national president of Phi Beta Kappa, presided at the installation at which the same ritual was used that has established chapters in the leading educational institutions of the country since its founding at the College of William and Mary in Virginia on December 5, 1776.

President John L. Seaton was initiated as the sole foundation member, and thirteen alumni and honorary members were inducted at the same time.

Those students who excel throughout the entire four years of college work may be chosen members of the society. Election to Phi Beta Kappa is the highest scholastic honor that can be conferred upon an undergraduate.

1941 Albionian Staff
Albion College
Albion, Michigan

Dear Staff Members:

One thing that makes the wheels of production and industry turn unceasingly in this democratic nation is cooperation. In looking back over the work of producing this 1941 Albionian, I can truthfully say that this annual was democratically produced. Your working faithfully without reward or compensation, except perhaps a by-line, has made producing this book a genuine pleasure to me.

There is little enough to say right here except "Thanks a lot" for your help and the fine spirit in which it was given.

Sincerely yours,
Russell G. Marsh, Editor

The PLEIAD
Albion College

Ladies and Gentlemen:

The days of one-man collegiate journalism are, fortunately, gone with the era of the raccoon coat and the "rah-rah" college boy. College newspapers today, whether they be weeklies like ours or large scale dailies, demand a capable staff of trained and qualified associate editors.

In looking back upon this school year, I recognize the fact that the publication of the PLEIAD week after week has been through the unstinted efforts of those of you on the staff. For your cooperation I can only express my sincere appreciation, and to those of you who next year will carry on in the PLEIAD tradition I give you my best wishes.

Sincerely yours,
Richard L. Ford, Editor

MEN'S DEBATE

Millett, Olthoff, Faist, Feller, Siler, Gable.
Miller, Overy, Gray, Mr. Fest, Sibert, Curtis.
Pollard, Buys, Fleming, Peterson, Brock, Doten, Sharf.

The men's debate teams participated in 69 debates this year. They met 23 different schools, including, besides Michigan colleges, several out-state colleges. In the State Tournament, they won nine out of 12 debates, tying for second place with Wayne University. The men's debate teams won 20 out of 33 decision debates.

A team comprised of Thomas Brock and William Buys represented the college at the mid-western Delta Sigma Rho tournament at the University of Wisconsin.

At the home extempore speaking contest, for the N. J. Weiss cup, James Curtis, a freshman, placed first. Leslie Fleming placed second. Curtis also took first place over ten colleges in the state extempore contest sponsored by the Michigan Intercollegiate Speech League.

Donn Doten, won first place in the home contest in oratory to select a representative for the state contest held by the M.I.S.L. Melvin Miller placed second. Doten took second place at the state contest and fourth place among 22 contestants at the University of Wisconsin, with the same oration.

Melvin Miller was awarded first prize in the local peace oratory contest which was held to choose a representative for the state contest sponsored by the Intercollegiate Peace association. Daniel Siler placed second.

At the invitational Delta Sigma Rho tournament at the University of Wisconsin, Thomas Brock was awarded first place among 46 contestants.

Fisch, Wiener, Mr. Fest, Harton, Kettell, Flinn.
McDougal, Moritz, Davison, Kurtz, Farmer, Corbishley.

A season which included 43 debates was concluded by the Women's Debate team with ten decision debates won out of 26. Only two veterans, Roberta Wiener and Kathryn Fisch, were members of this year's team. Besides several Michigan colleges, the teams met seven out-of-state schools.

Miss Wiener and Betsy Jane Davison represented the college at the Delta Sigma Rho tournament at Madison, Wisconsin.

Betty McDougal won first place in the home contest in extempore speaking. She was awarded the K. G. Hance cup. In the state contest, Miss McDougal won third place.

In the home contest for the Michigan Intercollegiate Speech League, oratory contest, Miss McDougal won first place, Marian Kurtz won second and Tess Hensick won third place. Miss McDougal took third place in the state contest.

An innovation this year designed to give students opportunity to appear before real audiences and to serve community groups with worthwhile programs. During the season, more than thirty different groups, including high schools, clubs, and churches, were furnished programs of lectures, symposiums on Latin America, readings, and plays. Thirty-five different students participated once or more, and between two and three thousand persons heard the programs.

Requirements for membership in the Albion College Players, local dramatic club, are ability in dramatic or production work and membership in the associated group of the Players. Election to Theta Alpha Phi,* national honorary dramatic fraternity, may be achieved by those students who are members of the Albion College Players and who do commendable work in either production or actual dramatic work while in college. Epsilon chapter of Albion College was installed in May, 1929. "What a Life," by Clifford Goldsmith, "You Can't Take It With You," by Moss Hart and George Kaufman, and a visual adaption of the radio play, "Air Raid," by Archibald McLeish, are productions of this year's season.

VARSITY FOOTBALL

Compiling a record of seven wins against one defeat, the 1940 Albion college gridiron squad was successful in its defense of the MIAA championship, bringing to Albion, for the first time in the history of the school, two successive football titles.

Displaying a powerful offense combined with a strong defense, the Britons were victorious in seven of their eight games, winning all six conference games, with the only defeat of the season coming at the hands of a strong non-conference foe, Lake Forest, in the last game of the year.

The season ended, as far as the MIAA standings were concerned, when the Albionites overpowered a scrappy Alma team in the Homecoming game by a 12-0 final score. With the league championship depending on the outcome of this contest, the Britons opened up with a hard running attack that placed them in the lead at an early point in the game. From this point on they were successful in staving off any threats by the Scots, and went on to add another touchdown and another MIAA title for the Spranklemen.

Some of the highlights in the 1940 campaign were the

FRESHMAN FOOTBALL

selections of Walt Ptak, Morry Trimble and Charles Vander-Linde to the All MIAA first team. At a later date Ptak received the honor of being placed on the annual Little All-American team, composed of players from the small college and university teams throughout the country.

Until their defeat at the hands of the Lake Forest squad, the Britons were the only undefeated team in the state, and one of the few undefeated teams in the country. By virtue of this record, and their record of six wins against no defeats in conference games, and the showing made against powerful non-conference foes, the 1940 Briton squad may well be classed as one of the best teams ever to represent Albion.

In spite of a non-competitive system, the 1940 freshman squad gave promise of a battle for positions on next year's varsity team by the showings made in scrimmages against the varsity and in the numerous intra-squad games played. The freshman season is now placed on a schedule that consists of instruction in football fundamentals and in learning the tactics employed by MIAA opponents for scrimmages against the varsity eleven.

Barnes, Fleming, Bleeker, Moore, Luxenberg, Krall, Frazer, Wilbur, Trimble, Palmer, Burns, Telander.

1940 VARSITY TRACK

For the second consecutive year the Briton outdoor track squad proved the class of the MIAA by winning the 1940 outdoor track title, scoring a decisive victory. The Albionites accounted for a total of 74 points, compared to their closest rival Kalamazoo, who tallied 54.

In competition with individual schools, the Albion squad accounted for a record of two wins against two losses, and in a triangular meet with Adrian and Olivet, emerged victorious by a large margin. The first contest of the year found the Britons winning over Hillsdale, 83-48. The following week saw the Albion team lose a close one to Bowling Green, Kentucky, ending up on the short end of a 78½-52½ score.

Gaining momentum in preparation for their defense of the MIAA championship, the Britons won a hotly contested meet with Grand Rapids Junior College, 68½-62½. In the last two contests of the year, both triangular meets, the Spranklemen lost out to Ohio Wesleyan, but were victorious in the meet with Adrian and Olivet.

Slater, Lester, McKittrick, Dallas, Peterson, McIntosh, Jackson, Landon, Coach Sprankle, Richard, Orth, Dales, Dick, Churchill, Schmid, Brown, Fleury, Stevens, Newcomb.

1940 FRESHMAN TRACK

The 1941 indoor season found the Britons once again leading the way, this time placing first with a total of 45 points, as compared to $36\frac{1}{2}$ for Hillsdale, Kalamazoo, 33; Alma, $26\frac{1}{2}$; Adrian, 2; and Hope, O.

This meet found Henry Barnes cutting 30 seconds off of his own two mile record, and setting a new record of 10:9. In two events that were run for the first time, Bruce Stevens turned in the winning times, and automatically becomes the record holder. These two events were the 75 yard and 220 yard dashes.

Another record was accounted for by the 880 yard relay team, which in addition to establishing the new MIAA record, also set a new MIAA record for the Yost Field House.

Not to be outdone by the varsity squads, the 1940 freshmen squad turned in a stellar performance in the outdoor meet for yearling teams, and added another championship for the Britons. The Spranklemen turned in a total of 89 points, as compared to 39 for Kalamazoo, their closest rival.

Coach Voltmer, Bohn, Meli, Grimes, Nester, Chandler, VanderLinde, Mills, Cook, Sanford, Trimble, Mgr. Drinkwater, Coach Watts.

VARSITY BASKETBALL

With a decided absence of experienced material, and with strength of the team depending on a number of men from last year's freshman squad, the 1940-1941 Briton basketball squad turned in a record of seven wins against seven losses.

The season opener found the Albion cagers on the short end of a 58-36 score in the contest with a powerful Calvin five. The Britons soon found themselves, and in the next two encounters, both against the Hillsdale quintet, accounted for two MIAA victories, the first by a 42-28 margin, and the second win showing a 40-29 victory. The Voltmerites then lost four successive games, the first at the hands of a surprisingly strong Olivet five by a 35-34 score, a close 31-29 loss to the out-state Tri-State five, an overwhelming 55-20 defeat at the hands of Alma, and a 35-31 upset by the Hope team.

The Britons bounced back into the win column the following week with a 34-28 win over Adrian, and a one-point 29-28 victory at the expense of the Kalamazoo squad. The Britons continued their winning way the following game by avenging a previous defeat in Indiana, when they conquered the powerful Tri-State team in one of the most thrilling games ever seen in the Kresge Gymnasium. After playing to a tie score at the end of the regulation time, the Albionites went on to win in two overtime periods by a 44-41 score.

The Briton cagers were once again defeated by the MIAA championship Alma five, this time by a 48-25 final score. The final three contests of the season saw the Britons compile a record of one win while dropping two. The strong Hope five defeated the home cagers by a 32-25 score, then a 35-31 win over the Adrian squad, and the season finished with a 40-33 loss at the hands of Kalamazoo.

Braley, Smith, Flahaven, Peterson, Nelson, Coach Voltmer.

1940 VARSITY TENNIS

With a record of seven wins against one defeat, and by virtue of placing second in the MIAA conference, the 1940 edition of the tennis team may well be classed as one of the strongest teams ever to represent Albion on the courts.

The only defeat of the season came at the hands of the always powerful Kalamazoo team by a 7-0 margin. The remainder of the matches found the Britons winning by decisive margins over MIAA foes, and also claiming one victory over a non-conference opponent.

The members of the team were Hayden Smith, Don Nelson, Tom Flahaven, Orville Braley, Bill Houghton, and Ralph Peterson.

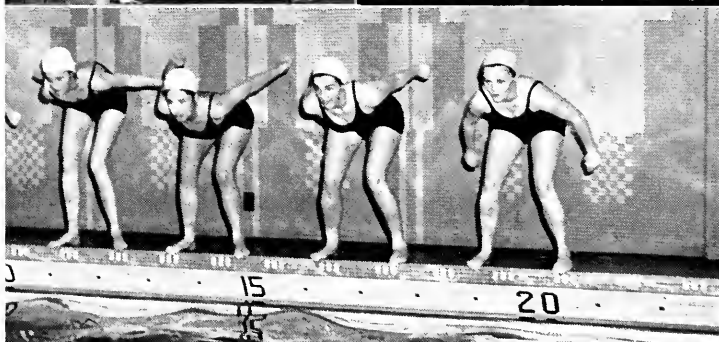

Nelles, Thomas, Turnblom, Adams, Alsip, Coach Spencer.

1940 VARSITY GOLF

With the return of three lettermen in the persons of Fritz Adams, Ed Alsip and Mort Nelles, and with the addition of Ken Turnblom and Bud Thomas, the 1940 Briton golf squad, under the tutelage of Dr. Raymond G. Spencer, stroked to a conference record of four wins against two defeats, and were the winner in one meeting with a non-conference foe, defeating Calvin on the home course by a $9\frac{1}{2}$ - $2\frac{1}{2}$ score.

In the MIAA Field Day Meet, the Albionites were in second place at the end of the first day of firing, but slipped into third hole as the final scores were posted. Bud Thomas paced the Britons with a 156 total, putting together two rounds of 78.

The 1941 season will find the return of two veterans, who with the assistance of some freshmen prospects should form the nucleus for a strong team.

Founded in 1917, the Pan-Hellenic council has as its purpose the regulation of activities of the sororities on campus. It provides for control of rushing, sponsors the annual "Pan-Hel Ball," and presents a cup to the outstanding senior woman each year. Two members from each of the six national sororities are on the council.

INTERFRATERNITY COUNCIL

Organized in 1920, the Interfraternity Council is composed of two members of each of the six national fraternities on the campus. The council attempts to regulate fraternal activities and relations between the six men's fraternal organizations. Rushing, pledging, social activities, and intramural athletics are controlled and directed by this body. The Council abides by the rules of the National Interfraternity Council and strives for cooperation between the fraternities and the administration.

To Be Successful . . .

. . . a student newspaper must be accurate and comprehensive in its news coverage of the activities of the school it serves. But just as important, a newspaper also must be honest in evaluating and aggressive in helping to formulate the many-sided points-of-view of a campus.

The staff of the Albion College Pleiad has attempted during the current year to adhere as closely as possible to this standard of action. And with fifty-six years of experience behind it, the Pleiad looks forward to its next half-century of service to collegiate journalism.
